

BUDGET 2011/2012

EXECUTIVE SUMMARY

It is the intention to highlight certain critical issues with the Executive Summary.

In the list of tariffs, changes in tariffs are indicated as a percentage, while previous year's tariffs are also shown. Although a basic consumer account is indicated in this summary, more detailed examples can be found in Appendix A.

AVERAGE INCREASE		9.40%	R132.99			

THE FIRST R75,000 OF ALL RESIDENTIAL AND AGRICULTURAL SITES ARE EXEMPTED FROM RATES AND TAXES.

The current inflation rate, together with fuel price increases that went back to the high price as what is was in the beginning of the previous financial year, made it extremely difficult for Council to keep tariff increases below 10%.

Council resolved to qualify as an indigent or an indigent household, the total income per erf may not exceed **R1800 per month**. Council to indicate whether pensioners (2x R1100) must be included in the indigent register.

All indigent consumers will receive the following for free;

50 Units of electricity, Six(6) Kl of water, Refuse Removal and Sewer Servic

Indigent people must register every year with the municipality in order to qualify for the specific year's s

e
ubsidy.
