MEDIA STATEMENT

Ladybrand police are looking for a person(s) who stole the electrical cable in Ladybrand town at municipal water-pump station near the department of Correctional Services on 15th April, 2019.

The reported theft has affected water supply at the following areas; Maursnek, Platberg, Manyatseng and Ladybrand. Any person who has an information regarding theft of electrical cables is advised to contact Ladybrand police services.

“This is getting out of hand as these thieves are stealing cable for the second time in less than two months. We humbly request the community members to help us bring these thieves to book. Theft affects every person; therefore, we need to give tip offs to members of SAPS that will eventually lead to the apprehension of perpetrators,” said Municipal Manager, Thamae Masejane.

Electrical cable and the waterpipe that recently burst are being repaired and water will likely be restored today. Community members are advised to ensure that their water taps are at all times tightly closed.
